

Fox Hill Flier

Some updates

SATS

The national tests, SATs, have been taking place this week for all year 6 pupils in English and Maths. We would like to congratulate all pupils at Fox Hill who took part in them as they have worked so hard and applied themselves to the tests so well. We are very proud of them all I'm sure you will

join us in wishing them good luck for their results which they will get early in July.

Next years school

calendar

2011/2012

On Monday 16th May Governors will be agreeing the school

calendar and dates for 2011 / 2012. These dates will then be published next Tuesday on our website but also a copy sent out to parents to keep. The diary will also give all INSET dates for the academic year.

Hayfever

As I am sure you are aware the summer is well underway and many children will start to feel the brunt of hay fever kicking in. If your child is a sufferer please ensure they have had allergy relief before school or is left in the medical room.

After School Club

We regret to inform you that due to low numbers of interest we have not been able to start the After School Club this term as planned. We will therefore reopen the club in September for

a fresh re-launch. If you are interested and would like to put your child's name down for a place in September please see a member of the office. We are really excited about being able to offer our

pupils after school child care provision and look forward to its success in September.

Thank you to those of you who are keen to take up the provision. We will be getting back to you in the coming weeks.

Ofsted 2009 : Pupil's personal
development is good and a strength of
the school.

New School Text Messaging Service

We are pleased to inform you of the introduction of a new text messaging service we now have in school and are trialling for a period of time. This is yet another way of communicating with you and this is in response to your comments about communication. If you do not want to be contacted in this way please let a member of the office know. If you change your mobile number please inform us at your earliest opportunity so we can keep our records up to date.

Reading Challenge

Congratulations to Y1 who had the most children complete their reading records. They have won £100 to be able to spend on books of their choice for their classroom.

Well done to Monterey Campbell who won the

individual draw for completing their reading diary.

The names of all the children who completed the challenge is outside the staff room for all to see. We know it acts as an incentive for others to undertake the challenge this half term.

Parents / carers please help.

Please help your child by reading with them or hearing them read everyday and completing their reading diary. It is such an important part of their learning and there are a number of children who are not completing their diaries.
